Dear Parents,

The children of Class 6 have been working extremely hard this term as they prepare for their upcoming Year 6 SATs. We are all very proud of them and know that they will all try their best.

Below is a reminder of the timetable for the week. We would also like to offer your child the chance to attend a Year 6 breakfast club during the week itself. This is a really nice opportunity for your child to have a calm 30 minutes with their friends before the tests begin. It is free of charge and completely optional but we do ask that they are in school for 8:00am if they wish to attend and have breakfast.

There are lots of ways that you can help your child during SATs week:

- Talk to your child about any stress and listen to their concerns.
- Reduce screen time before bedtime.
- Have a SATs reward dinner during the week of testing.
- Help your child with their revision and remind them how proud you are of them.
- Find ways to help your child relax and make the weekend and Monday before SATs stress-free.
- Encourage your child to exercise and get plenty of sleep.
- Remain positive around your child.

If you have any questions, then please just ask.

Mr Colton
