

# Welcome to Class 3!

## What to expect in Class 3...

- In Class 3, you will be taught by me, Mr Colton. Miss Rutter will be the other adult in the classroom and she will be teaching you on a Wednesday afternoon.
- We will all decide and agree on our class rules together on our first day. Everyone is then expected to follow these!
- We work together as a team.
- There will be lots of exciting, topic-linked learning just like you have had in your other classes.
- I think reading is VERY important and I love to see children enjoying books at home or at school.
- We will be learning outdoors when possible!
- We will have lots of fun learning about cool things over the year.

I'd love to know a little bit about you so please fill in the 'All About Me' and bring it back with you in September 😊

# All about Mr Colton...

Things that are important to me:

I am a big believer in the Latin expression

'A healthy body brings a healthy mind'

which means exercise is not just good for our body but also gives us brain power too!

Therefore, I like to keep active by taking part in lots of different sports with my friends: badminton, cricket, football, squash and running.

I will make sure that you are really active in Year 3 and enjoy a range of sports.

I enjoy spending time with my family and my two children keep me very, very busy! My son and I love to do lots of gardening and grow a variety of vegetables.

I'm always trying to learn more about the world through reading, tv and research on the internet however I still haven't managed to win the weekly pub quiz with my friends!

I'm really looking forward to learning about what is important to you.

Things to know about me as a teacher:

- Most importantly, I believe children should feel safe and happy in school.
- I love to challenge **all** children to be the very best that they can be.
- I think that children learn best when they are in a creative, engaging environment.
- Although I love to chat, I also like children to really concentrate when it's time to work.

# All about Miss Rutter

## Things that are important to me:

I LOVE reading! As lots of you know, it is my goal to read 100 books every year. Sitting with a with a cup of tea, lots of biscuits and a good book is my favourite.

My dog, Tessy. She is old and smelly but she is my baby! I love her even though she can be such a pest!

Theatre! I love going with my family and friends to see different shows, especially at the West End in London.

Clothes! During lockdown I started to learn how to sew. I love clothes and have always wanted to learn how to make my own. Hopefully one day I can wear one of my creations to school!

My sisters! I have four sisters and we are really close. They are ready-made best friends!

## Things that you should know about me at school:

- All I ask is that you try your very best. As long as you do that, I'm happy!
- I think school is about you growing in lots of ways and not just about your learning. That's why I love to chat to you all and find out how you all are!
- We talk a lot about being unique at school and that is the same for our learning. Nothing in our classroom is a competition (unless Mr Colton says so!).
- If you ever have a worry or something you would like to share I am here for you to come and have a chat. I live by 'a problem shared is a problem halved', which really just means when you talk about something it can make you feel lots better.
