

Welcome to Class 5!

What to expect in Class 5...

- In Class 5, you will be mostly taught by me with Mrs Anderson and Mrs Jenkinson.
- You will hopefully be taught by Mrs Byrne and Mr Carter on a Wednesday if things are 100% normal as that's when I have my Deputy and SENCo time.
- We will come up with our class rules together on our first day. Everyone is then expected to follow these!
- We work together as a team.
- There will be lots of exciting, topic-linked learning just like in all of your previous classes.
- Space is one of my favourite topics - I love the art work and the Science element.
- There is a real expectation that you read a lot at home - I think reading is the most important homework you can do! I love having book recommendations from you so please share some with me.
- Your class worry box will travel with you so you can continue to use it to share any worries you may have.
- We will be learning outdoors when possible!
- We will have lots of fun together over the year. I know I can be strict but I am also fun too!

Please fill in the 'All About Me' and bring it back with you in September 😊
