

Welcome to Class 4!

What to expect in Class 4...

In Class 4, you will be taught by Mrs Byrne (Mon-Tues) and Mrs Sharp (Weds-Fri). Mrs East will be in Class 4 all week.

- We will come up with our class rules together on our first day. Everyone is then expected to follow these!
- We really value collaboration in Class 4 and think it is very important to work as a team.
- There will be lots of opportunities in Class 4 to work on your metacognition skills and attitudes - all of which will make a huge difference to how well you learn and how much fun you can have too!
- There will be lots of exciting, topic-linked learning just like in all of the classes.
- We love all of the topics but Rainforests and Vikings are two of our favourites!
- Don't worry if you are a little anxious about starting in your new class as we will be spending lots of time getting to know each other.
- Make sure you always come prepared for all weathers as we enjoy learning outdoors as much as possible.
- We are very much looking forward to an exciting year with you and having lots of fun.

Please fill in the 'All About Me' and bring it back with you in September 😊

All about Mrs Byrne...

Things that are important to me:

My family and friends - I have two boys, Harry, who is 4 years old (and joining our school this year) and Charlie who is 2. I also have two cats called Freddie and Oscar.

The outdoors - Whether it's going for woodland walks, cycling in a country park or doing some gardening with my boys, I really enjoy spending time outdoors.

Books - There is nothing that I love more than becoming engrossed in a good book! I am part of a Book Club with friends and I am always on the lookout for new recommendations.

The Cobblers! - I went to my first match when I was 9 years old and have been supporting my beloved football team ever since (yes a very long time!). Any other football affiliations in Class 4 are strictly forbidden 😊.

Travelling - I love visiting new places and discovering new things. It is important to me that I never stop exploring and learning too!

All about Mrs Sharp...

Things that are important to me:

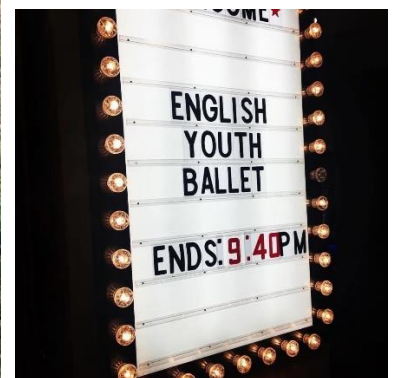

Spending time with my family - I have two daughters (14 and 16). One of them is a competitive swimmer and the other is a dancer; this means much of my spare time is spent being 'mum's taxi service'!

Books - I really enjoy reading lots of different books and sharing new book titles with my friends.

Volunteering at my daughter's swim club - I am a licenced swimming judge. This sounds like a lot of hard work, but it actually means that I don't have to spend long hours in uncomfortable spectator seats at swimming galas.

Visiting the theatre - I absolutely love watching West End shows or ballet productions; Wicked and The Lion King have been my favourites so far, along with an amazing performance of Swan Lake by The Royal Ballet Company at The Royal Opera House.

Walking my dogs - I have two dogs (a springer/lab and a cocker spaniel).

A message from Mrs East...

Hi Class 3 soon to be 4!

I hope you are all well and are looking forward to coming back to school.

I am super excited to see you all again and being in Class 4 together.

I've been telling Mrs Sharp and Mrs Byrne lots about you as a class, all good things I promise!

I hope you have all been reading and practising your times tables (I'm sure you have).

We are going to have a fantastic year. I'm really looking forward to hearing what you have been up to.

See you soon.

Mrs East.

Things to know about us as teachers:

- Getting to know you is important to us - we want to find out about your interests, likes and dislikes and what really makes you tick.
- We expect our classroom to be one of kindness, fairness and respect.
- We have clear rules and expect everyone to follow these.
- We have high expectations and always ask you to try your best.
- We understand that learning new things can be tricky but we will encourage you to take risks and learn from mistakes.
- School life might get busy but we are always ready to listen to. Please let us know if you have any worries as we are here to help.
- We may teach you separately but we work together and always share with each other what you have been doing.

Here are some more things that we get up to in Class 4...

Outdoor learning

Cooking - yum!

Taking on new responsibilities

School trips
